

About Us

Altää Abogados y Asesores is formed by Immigration Law professionals and related disciplines, with a wide and extensive experience in the field. Thus, we ensure a committed, competent and updated treatment.

Our Philosophy

We are committed to offer our clients **Altää Strategy, Experience, Security and Proximity.**

Studying in depth each specific case, we provide the best procedural strategy that fits Individuals and Companies:

- Correctly focusing your needs.
- Determining the specific requirements to be fulfilled by your Application.
- Adapting those requirements to each specific situation.

All this, with a realistic estimate of processing times and using a custom tracking at all stages that are part of the procedure until the achievement of the Permit.
